San Francisco Nursery for Homeless Children

The "Home" of the Society is located on Lake Street and Fourteenth Avenue, and may be visited any day except Sunday.

Membership dues are five dollars per year.

Life membership is secured by the payment of fifty dollars.

Thirty-five dollars will purchase and equip a bed; ten dollars will maintain it for one year; or one hundred dollars will permanently care for it.

Parents and friends can visit the children on the first Saturday and the third Sunday in the month from 2 to 5 P. M.

The nucleus of a library has been formed. It is the desire of the Board of Managers to increase the number of volumes, and the ladies hope friends of the Institution will aid by sending to the Home old or new books suitable for the children.

President's Report

Fellow members of the Society of the

San Francisco Nursery for Homeless Children :

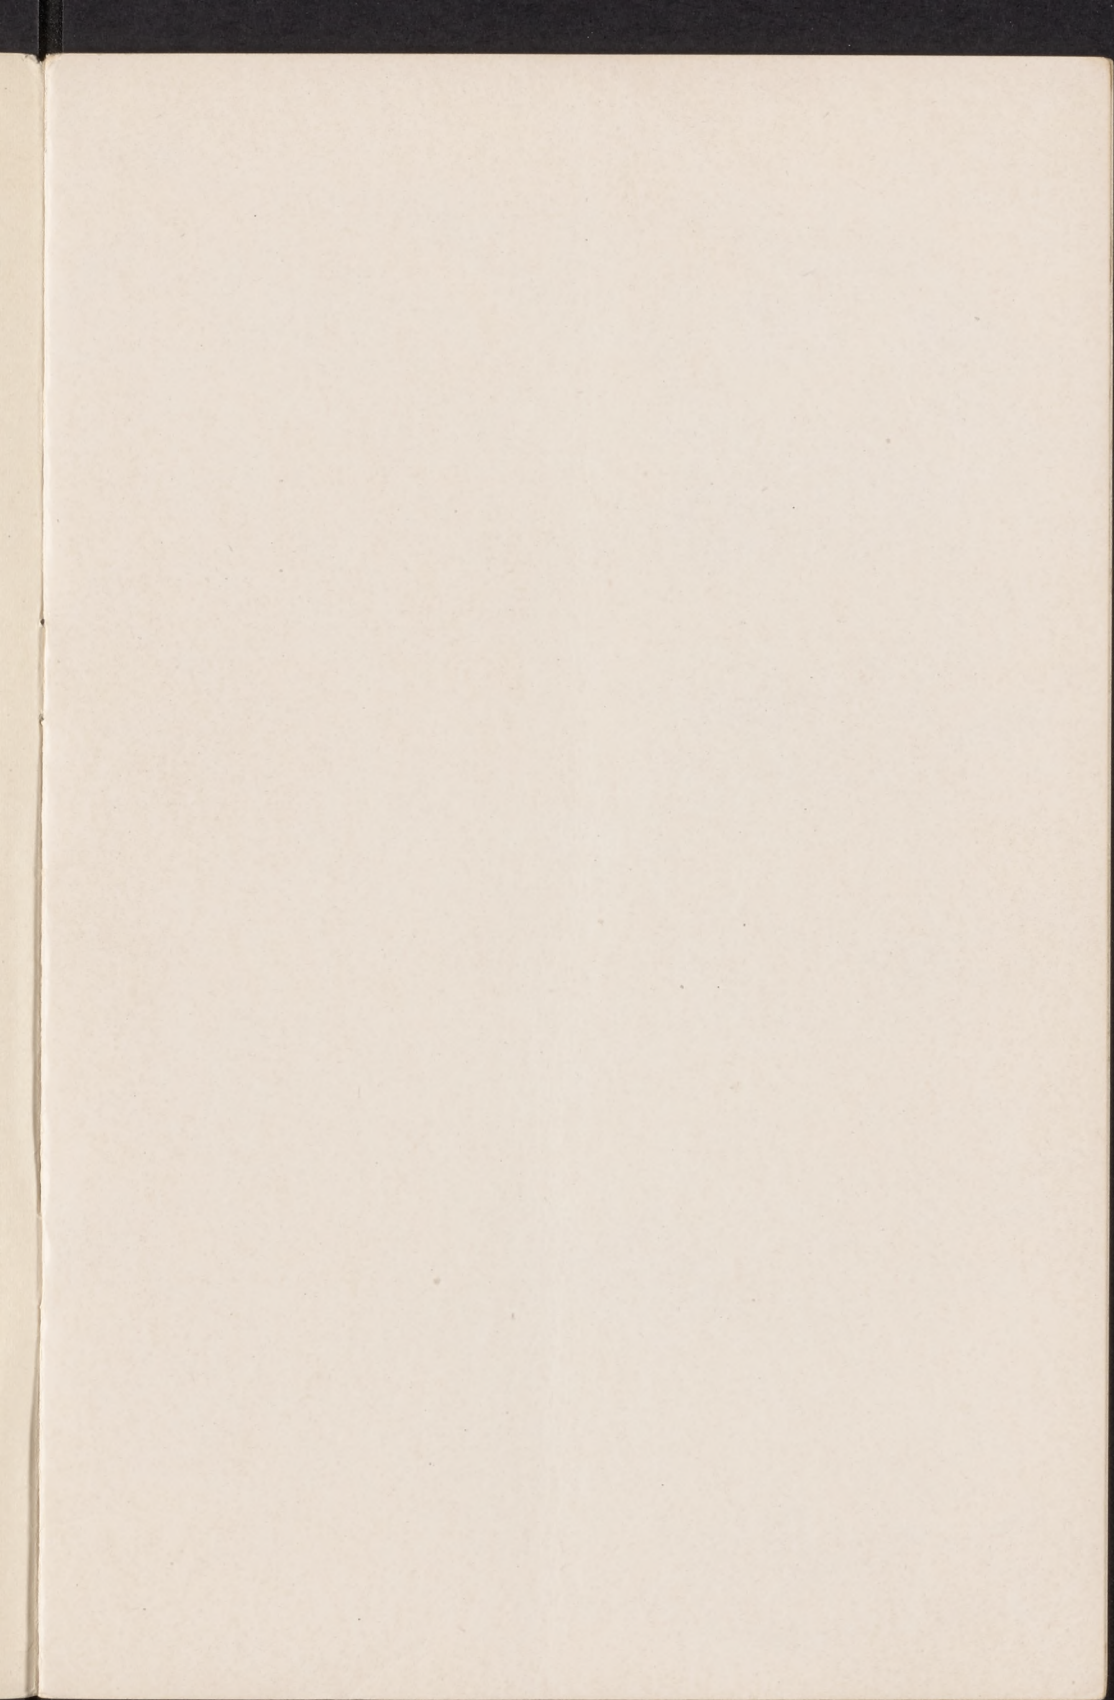

From the Secretary you have had a resume of the year's most important happenings, from the Treasurer you have heard of the handling of the Society's funds by your Boards of Trustees and Lady Managers.

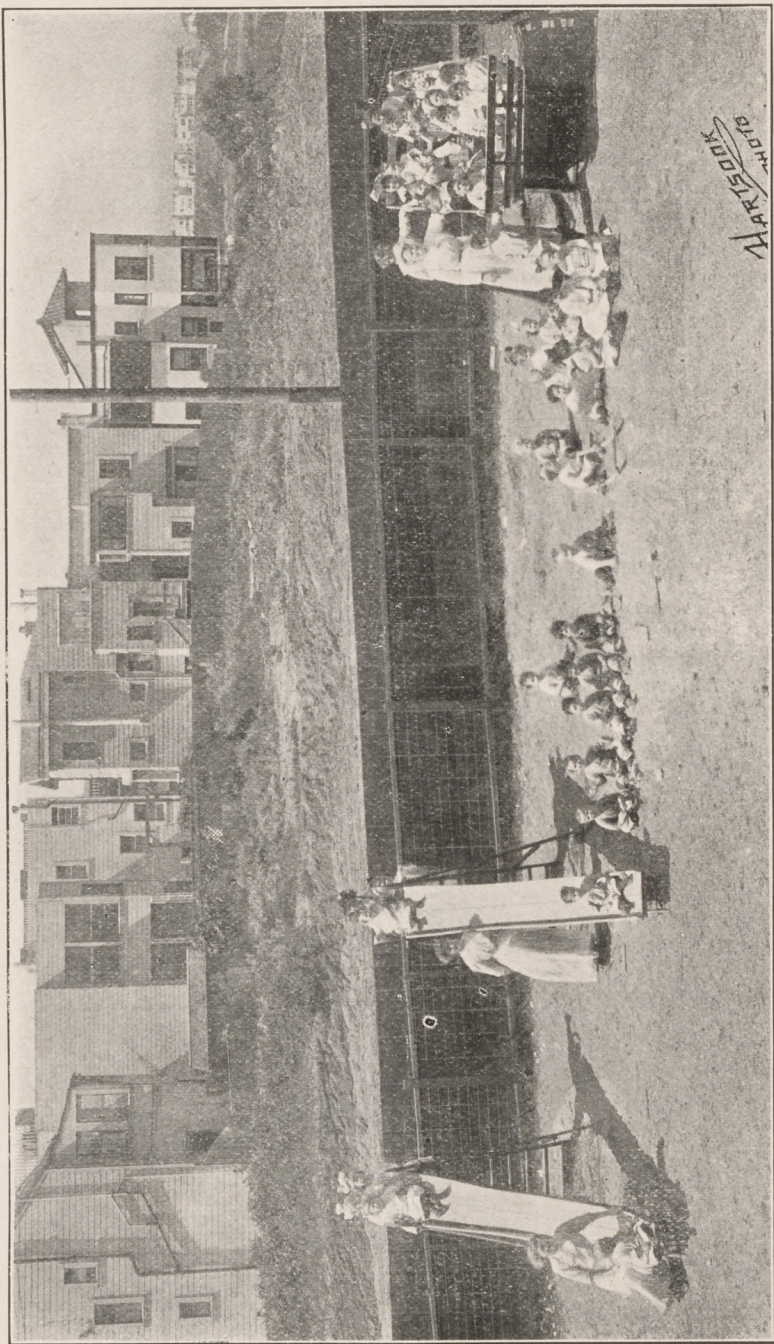

Since our last annual meeting much has transpired.

At our March meeting the Board of Managers received the written resignation of the Matron, Mrs. M. J. Hubbert, with the request that it take effect June 1st, and Mrs. M. E. Coltman, our present Matron, took up the work.

During May and June the Board secured the services of Miss Ethel Beard, at the time a recent graduate from University of California and recommended by Dr. Jessica Peixotto. She was very helpful to the children in many ways. First, in giving them a broader, brighter glimpse of life than they had had before. Also in the establishment in one of the large top floor rooms of a clubroom or assembly hall.

A good friend of the children, our Board member, Mrs. Jas. M. McDonald, volunteered to provide necessary burlap for a wainscoting on the wall, and another good friend of the children, the Young Ladies' Auxiliary of the Nursery, donated the paint and brushes needed to paint the floor. Under Miss Beard's guidance the larger boys of the Nursery did the work of painting the floor and tacking the burlap to the wall, using as fancy tacks, plain tacks pushed through the flat ends of the buds of Eucalyptus trees, which the boys had taken great pleasure in collecting also under

Miss Beard's guidance. Some of the early June evenings were spent in "cutting out" the pictures on the covers of Saturday Evening Posts and other magazines given by friends of the Nursery, and these were tacked about the room on the green wainscoting. Our former Vice-President, Mrs. Albert Dernham, among other very generous gifts to the Nursery, sent several boxes of large bright-colored glass beads, which were alternated with Eucalyptus buds in making hangings for the windows. The entire decoration of the room, which was further furnished by donations of a couch, large centre play table, chairs, etc., by other Board members, is really artistic, and the room itself is a source of great pleasure and pride to the children. They recognize it as really **their** room. Mrs. Coltman takes all those who have **tried** to be good **down stairs**, up to the room every Sunday evening, and almost every Thursday evening, for music and games. The player-piano presented by the Heartsease Club arrived just as the room was ready for use, and at once became a very important part of its furnishings. A number of its records are songs which the children unite in singing.

A second player-piano with a generous supply of records was presented to the Nursery by our Board member, Mrs. Stetson G. Hindes. This was attached to the piano which stands in the entrance hall, and on Christmas day, the folding doors into the dining-room were thrown open so that the music of the piano was practically in the dining-room, and completed the home-like cheer which pervaded the rooms, the brilliantly lighted and decorated tree provided by the Young Ladies' Auxiliary standing in a corner of the dining-room with smaller trees as brilliantly lighted, standing, one in the centre of each of the five tables, these being gifts from Board members, as was the dinner of turkey with its cranberry sauce, celery and vegetables, with dessert of nuts, candies, raisins, oranges and apples for

every child. The lighting of the tree candles and the manipulation of the player-piano was done by our man-of-all-work, Henry, who is himself a lover of music and of children.

I believe everyone present that day was impressed with a satisfactory feeling that a home-like, not an institutional air pervaded. This was also very apparently true the next day on the occasion of the Christmas tree celebration provided for the children by the Young Ladies' Auxiliary.

One of the valuable gifts to the Nursery during the year was a complete set of "Books of Knowledge," a comprehensive cyclopedia especially written for children. This was presented by Mr. and Mrs. E. P. Ackerman. Mrs. Ackerman has this year refused reelection to the Recording Secretaryship of the Board, a position which she has filled most capably and conscientiously for ten years, adding to her own duties oftentimes those of other officers, when the need arose. The Board of Managers will always appreciate the obligation due to Mrs. Ackerman.

Our member, Mrs. A. P. Hotaling, Jr., installed additional ventilation in the glass playroom provided for the younger children several years ago by Mrs. A. P. Hotaling, Sr. The new swings and rocking horses from the Heartsease Club seem to lend a finishing touch to the comfort of this playroom, which is enjoyed by the children every day of the year.

When our Mrs. McDonald made out her check to pay for the clubroom burlap she had promised, she made it for \$100.00, so that we were able to pay Miss Beard's salary of \$40.00 a month without going into the Nursery Treasury for it.

First Vice-President, Mrs. A. B. C. Dohrmann's gift of a card system with its cabinet and a set of books providing the possibility of practical bookkeeping will be of great value to the Nursery.

Another thoughtful gift from one of our co-workers has been a check for \$100 from Mr. G. A. Berton, Secretary of the Board of Trustees, who, upon presenting to the Managers the report concerning added insurance put upon the Nursery property, which he had gone to great pains to place most advantageously for us, he presented, instead of any demand for his services and time, the check above mentioned. We greatly regret that Mr. Berton's private affairs prevent his serving longer on our Board of Trustees, for his large experience in such work has made him a most valuable advisor.

Soon after the first of the year Mr. Bruce Porter and his coworker, Mr. Girard Smith, volunteered to devote Friday evening of each week to reading to our boys, a service heartily appreciated by our Board as well as by the boys themselves.

I am happy to report to the Society that our Matron, Mrs. M. E. Coltman, has filled her position with credit to herself and the Nursery. She has assuredly made this a **Home** for Homeless Children during the seven months she has been with us. Her chief assistant, Mrs. Reynolds, also deserves earnest commendation from the Board and Society. She has been called upon at different times of the year to serve in different capacities, and, whether as temporary Matron, boys' nurse, cook, seamstress, or head of the dining-room, has always been found willing, efficient and, so far as any of us have seen, always cheery and good-natured, eager to do her full share. The Nursery is quite fortunate in its present corps of employees.

With sincere appreciation of the commendation and support given me in my work during this past year, this is most respectfully submitted.

MRS. C. E. GRUNSKY.

Recording Secretary's Report

*To the President, Officers and Board of Managers
of the San Francisco Nursery for Homeless Children :*

During the past year the Board of Managers of the S. F. Nursery for Homeless Children entertained many bright hopes, some of which have been realized, and it is with pleasure that I submit my report for the year 1914.

The seating of a new President naturally brings changes and in Mrs. C. E. Grunsky the Board has found an able leader and advisor who has towed us safely into port of right endeavor, and 1915 will witness, we are sure, another year of usefulness added to our record.

The public at large is peculiarly of the opinion that there can be no "home life" in a charitable institution, but with the advent of our new Matron, Mrs. M. E. Coltman, we have seen demonstrated such a contingency, and with the opening our new Club Room every opportunity is given to the children to act naturally, and tends toward the bringing together of brothers and sisters who might otherwise forget that relationship separated as they are by dormitory walls. This room is the scene of weekly gatherings, Halloween parties and song recitals and where the piano and piano player donated by the Heartsease Society and Mrs. S. G. Hindes give much joy.

The lives of the children are constantly made brighter by the many diversions afforded them by Mrs. B. F. Schlesinger, who has a delegation visit with her each Saturday. These "little journeys" into the world are headed by a few of the older children who are thus learning the fundamental principles of self-reliance, and clothes them with a responsibility which will stand them

in good stead when thrown on their own resources in time.

Besides the yearly parties given to the entire family at her home, Mrs. Schlesinger outfitted several of the orphans last Christmas, and, it is needless to add, holds first place in their too-often starved out little hearts.

It is safe to say that the outings given the children by the Indoor Yacht Club, the Auxiliary Girls and Mrs. L. Frank will not be soon forgotten.

While no bequests were received last year, we found, however, that we were rich in good friends. Our Board Member, Mrs. Jas. M. McDonald, has proven a veritable universal provider, and aside of many valuable monetary gifts, has donated quantities of green stuffs, fruits and eggs. Mrs. E. P. Wingerter is another constant friend and not a month has gone by in many years without our receiving substantial donations of food stuffs from her. We are also indebted to Mr. G. A. Berton, one of our Trustees, for a gift of money, to the "Candy Shop" of the Richmond district for its unsolicited donations of ice cream; to Mrs. A. B. C. Dohrmann for a cabinet file and card system, and to Mrs. E. Bonnheim for generous gifts of eggs and fruit. There were many smaller contributions and donations which were appreciated as fully.

Each year finds us more deeply cognizant of the value of our co-workers, the Auxiliary Girls. From out of their busy lives they give of their time and services most freely, and have cause to be proud of the large part they play in the Nursery's progress.

We are hoping for as large returns at the coming "Pencil Sale" as were gained last April, and, experience having taught us that given enough help the San Francisco public does the rest, we now make an urgent plea for "helpers," without whom we would be helpless indeed.

We beg to extend our thanks to the merchants who

have proven such loyal pencil customers, to the Schmidt Lithograph Company for posters, to the Simplex System Company for quarter-cards, to the press which devoted valuable space to our cause, to the cartoonists who gave of their interesting services so generously, to the management of the Hotel St. Francis for the use of headquarters, to the Emporium for storing and hauling, and, above all, to the girls and women who volunteered as salespeople.

It was with personal regret that the Board was compelled to accept the resignation of Mrs. Albert Dernham, in point of service one of our oldest and most valuable members. While regretting the inability of Mrs. Dernham to take an active interest, we still look upon her retirement as only temporary, and hope to welcome her soon again. Upon action of the Board, Mrs. Dernham was unanimously made an Honorary Member.

Death laid his hand heavily upon us last year, and in July we were saddened by the news of the passing away of our Board Member, Ex-Treasurer Mrs. M. Kaufmann. Resolutions of sympathy were drawn and ordered sent to Mr. Kaufmann and family.

We also lost another devoted friend in Mrs. Thos. Denigan. Her many kind acts and gifts made her death a deep personal loss to all.

Twelve regular meetings at which the average attendance was fifteen, and seven special meetings at which the average attendance was thirteen have been held.

During the year we have provided a home for 135 children, 34 of whom have been half orphans, one orphan and 11 abandoned.

In retiring from the Secretaryship of the Nursery, I beg to extend to all those who labored with me in the cause of raising and protecting the homeless child, my gratitude for the encouragement and kindness shown me during many years, and wishing the Board all the success that is bound to follow its sincerity of purpose, I respectfully submit my ninth annual report.

HETTIE G. ACKERMAN,
Recording Secretary.

Physician's Report

*To the Board of Managers of the
San Francisco Nursery for Homeless Children:*

LADIES:—

During the year just passed there have been no deaths, nor for several years, we might add, even though there were several serious complicated measles cases.

Two accidents occurred in the twelve months—one a fracture of the collarbone, the other a severe burn of the hand; both healed nicely.

Sixty-seven visits were made by myself and assistants and 478 prescriptions made, a larger number than usual, but called for by the severity of conditions at different times, say during July, when 18 visits were made, with 200 prescriptions.

My thanks are due to you all, for without your assistance, both financially and morally, nothing could be satisfactorily accomplished.

My confreres I am always grateful to for both advice and assistance, and this is only a public acknowledgment of the same.

To matron and nurses I always look for aid in discovering illness and in taking care of those afflicted, and that means much to a physician.

Offering you once more my heartiest co-operation in your worthy charity, and realizing probably more than anyone else outside the Board your work and care, I remain,

Yours in the cause,

GUY E. MANNING, M. D.,

Attending Physician.

Report of the Recording Secretary of the Auxiliary

*To the Board of Managers of the
San Francisco Nursery for Homeless Children:*

The year 1914 has been a busy one for the Auxiliary, and it is with pleasure I submit my report.

There have been nine regular meetings and one special meeting, with an average attendance of eight. The membership roll contains twenty-eight active and eleven associate members.

During the year the dining-room was supplied with dishes, table linen, silverware and a table for the babies.

There have been regular lessons in sewing under the direction of Mrs. Houseworth every Wednesday afternoon, the girls taking much interest in filling their books, which they exhibited at the Christmas entertainment. Some members of the Auxiliary also assisted three mornings of the week in the kindergarten work.

In January one of the girls was placed in the San Francisco Vocational Training School and the Auxiliary purchased the necessary outfit.

As usual, the children have had their outings. In April they were taken to the circus and later forty-three were taken to Lake Merced on a picnic. On May Day they were taken to the Fair Grounds. Easter eggs were colored, strawberries sent during the summer, and pies supplied for the Thanksgiving dinner. The most important event of the year was the Christmas celebration, at which the children entertained their guests with recitations and songs. A Santa Claus distributed toys among all the children, after which ice cream, cake and candy were served in the dining-room which was effectively decorated by trees donated by some members of the Board.

Many thanks are due to all our friends through whose generosity in answering our Christmas appeals it has been possible to meet the demands of the past year.

Respectfully submitted,

LINDA TUM SUDEN,

Recording Secretary.
